UNIFORM DRESS CODE

- Uniform items may be purchased from the Trinitas Uniform Closet, Educational Outfitters, Lands' End, or our online apparel store. If purchased from another source, items must be sufficiently comparable in style and color (please check with the office).

Examples include the British Khaki from Dockers® and the Uniform Khaki pants from IZOD®, French Toast®, Old Navy®, and Dickies®. Small and discrete logos are permitted. External pockets and jeggings are not allowed.
- If the item has belt loops, a belt is required (see below for options).
- Shorts may not be worn from November through the day before the first day of spring OR when temperatures are below freezing. Leggings may be worn under skirts and jumpers only November through the day before the first day of spring OR when daytime highs are below 60 degrees.
